Limitations and Critiques

Although the digital resources are extensive, learners with limited internet access or technological proficiency might find it challenging to maximize these tools, potentially widening the gap between learners.

3. Cultural Content Variability

The cultural topics, while generally current, may sometimes reflect Western-centric perspectives, which could limit inclusivity for learners from diverse backgrounds.

4. Level Appropriateness

Some instructors feel that certain units, especially those with advanced vocabulary or complex grammatical structures, risk being too challenging for some B1 students, necessitating supplementary materials.

To contextualize New English File Intermediate Third Edition Oxford within the broader market, it is helpful to compare it with other popular textbooks like English File (previous editions), Cambridge English Empower, and New Headway Intermediate.

Key points of comparison include:
