Rise to Power

Ferdinand Marcos, a Filipino politician, served as the 10th President of the Philippines from 1965 to 1986. His rise to power was marked by a combination of strategic political maneuvering, populist policies, and military influence. Marcos was initially viewed as a reformist leader, but his administration gradually shifted toward authoritarian rule.

Martial Law and Dictatorship

In 1972, Marcos declared martial law, citing the need to suppress communist insurgency and maintain order. However, this move resulted in the suspension of civil liberties, suppression of political opposition, and widespread human rights abuses. Marcos's regime was characterized by corruption, embezzlement, and the accumulation of ill-gotten wealth.

Exile and Return

The fall of Marcos came in 1986 following the People Power Revolution, a peaceful uprising that led to his exile in Hawaii. Despite his ousting, the Marcos family's influence persisted, with various members returning to Philippine politics and attempting to regain power.
