The revelation leads to catastrophe, both personal and societal.

Structure and Dramatic Progression

The play follows a tight, three-act structure:

- Introduction and Crisis Setup: The plague afflicts Thebes; Oedipus vows to find the cause.

The Search for Truth

Oedipus's relentless quest for the truth ultimately leads to destruction. His insistence on uncovering the reality despite warnings raises questions about the value and danger of knowledge.

Justice and Moral Responsibility

The play examines divine justice and human accountability. Oedipus's punishment is both deserved and tragic, prompting reflection on moral responsibility and the limits of human understanding.
