- Achieve a top speed exceeding 70 mph
- Incorporate airtime hills and intense inversions
- Feature a unique launch system capable of rapid acceleration
- Integrate thematic elements aligned with storm and weather motifs

The overarching goal was to craft a ride that not only delivered adrenaline but also offered a narrative-driven experience, setting it apart from traditional coasters.

Development Timeline

The development process from conception to opening spanned approximately three years, beginning in late 2010. Key milestones included:

- Initial concept design and feasibility studies (2010-2011)
