- Creating the Cloze Exercise

- Key plot points, character actions, or thematic elements are removed from a summarized version of the story.

- The gaps are strategically placed to challenge the reader's understanding of the plot flow.

- For example, in a story involving a storm, the exercise might omit the cause of the storm, the characters' reactions, or the resolution.

- Providing Context and Clues

- To facilitate successful reconstruction, the exercise includes contextual clues such as character names, setting descriptions, or thematic hints.

- These clues help readers infer missing information and understand the narrative's progression.

- Engagement and Reconstruction

- Readers analyze the partial plot, draw upon their comprehension skills, and fill in the blanks.
