The Sabbat is a faction of vampires in Vampire: The Masquerade characterized by its rejection of human morality, its embrace of the beast within, and its opposition to the Camarilla, the other major vampire sect. Over centuries, the Sabbat evolved into a formidable sect with its own hierarchy, rituals, and philosophies.

The sect gained prominence during the 20th century, especially during periods of societal upheaval, positioning itself as a counterculture that challenges the status quo of vampire politics. Its members are often seen as radicals, revolutionaries, and believers in the "destiny" of vampires to rule over humans.

Origins and History of the Sabbat

Historical Roots and Formation

The Sabbat's origins trace back to the early days of vampire society, emerging as a reaction to the perceived hypocrisy and corruption of the Camarilla. Established in the wake of the Second City Treaty (a truce that formalized the Camarilla's dominance), the Sabbat arose as a rebellious faction advocating for a return to vampire primal instincts and a rejection of human morality.

Its formation is often attributed to a schism among vampire clans and factions, with some vampires seeking a more brutal, unrestrained existence. The Sabbat's founders included influential figures such as LaCroix and other radical Kindred who believed that vampires should embrace their beastly nature and overthrow the masquerade's constraints.

Evolution and Key Historical Events

Over the centuries, the Sabbat evolved from a loose coalition of rebellious vampires into a formidable sect with its own hierarchy and rituals. Major historical milestones include:

- The Formation of the Sabbat (late 15th - early 16th century): As a response to the declining influence of the older vampire clans and the oppressive structure of the Camarilla, the Sabbat emerged as a unified front advocating open vampiric dominance.
- The Inquisition and the Sabbat's Expansion: During periods of human religious persecution, Sabbat vampires often engaged in open conflict with the Inquisition, further fueling their image as predators and radicals.
- The Modern Era: In the 20th century, the Sabbat expanded across the globe, establishing strongholds in regions like South America, Eastern Europe, and Africa. Its ideology spread through charismatic leaders and violent campaigns against the Camarilla and human institutions.

Core Beliefs and Philosophy

The Philosophy of the Sabbat

The Sabbat's worldview is rooted in the belief that vampires are predators by nature, and that societal norms and masquerades suppress their true essence. They reject the idea of hiding their vampiric identity and see the pursuit of power, dominance, and survival as the ultimate goals.

Key tenets include:

- Rejection of Humanity: Sabbat members typically see human morality as a weakness that hampers their true nature.
- Embrace of the Beast: Encouraging vampires to fully accept and indulge their predatory instincts.
- Antagonism toward the Camarilla: Viewing the Camarilla's masquerade as a tool of manipulation that weakens vampires and keeps them under human control.
- Revolution Against the Status Quo: Believing that vampires should overthrow human society and establish a new order based on vampiric supremacy.

Religious and Ritual Aspects

The Sabbat incorporates elements of vampiric mysticism and religious zealotry, often venerating their kind as a divine or chosen race. Their rituals are designed to reinforce bonds of loyalty, invoke supernatural powers, and celebrate their identity as predators.

Prominent rituals include:

- The Black Hand: A secretive, oath-bound society within the Sabbat, emphasizing loyalty and the pursuit of power.
- The Ritual of the Bloody Dawn: An initiation rite involving blood sacrifices to symbolize rebirth and loyalty.
- The Sabbat Mass: A gathering where members reaffirm their vows, share blood, and perform rites that bolster their supernatural abilities.

- The Black Hand: An elite inner circle of the most radical and influential Sabbat members, responsible for strategic decisions and enforcing sect doctrine.
- The Pack Leaders: Smaller groups led by dominant vampires, functioning as the primary operational units within the sect.

Localized Chapters and Cell Structure

- Sect Chapters: Larger regional groups that coordinate activities and consolidate resources.
- The Inner Circle: The sect's leadership council, often composed of the most radical and influential members.
