Macmillan Education, established in the early 19th century, has long been a reputable publisher in the field of language education. Its foray into assessment for young learners began in the late 20th century, aiming to provide age-appropriate, engaging, and meaningful evaluation tools that complement classroom instruction.

Development of the Young Learners Series

The Macmillan exams for young learners, such as the Macmillan English Tests (MET) and Macmillan Young Learners (MYL) series, are designed with specific developmental and cognitive considerations.
