Military Service and Entry into Government

After completing his education, Ellsberg joined the U.S. Marine Corps, serving as a captain before transitioning into government service. His early career saw him working in the Pentagon and the RAND Corporation, a think tank specializing in national security and military strategy. These experiences provided Ellsberg with a detailed understanding of U.S. military operations, foreign policy, and the intricacies of nuclear strategy.

The Vietnam War and the Seeds of Dissent

Involvement in Vietnam Policy

During the 1960s, Ellsberg's role within the Department of Defense and RAND placed him at the heart of Vietnam War policy discussions. Initially, he believed in the U.S. intervention, viewing it as a necessary effort to contain communism. However, as the war dragged on, firsthand exposure to its realities and the government's deceptive tactics began to erode his convictions.

Exposure to Classified Information

Ellsberg gained access to a series of highly classified documents?later known as the Pentagon Papers?that detailed the U.S. government?s decision-making process regarding Vietnam. These documents revealed a pattern of deception, including false claims about progress and the justification for escalation, which starkly contrasted with public statements.

The Pentagon Papers and the Whistleblowing Decision

What Were the Pentagon Papers?

The Pentagon Papers, officially titled ?Report of the Office of the Secretary of Defense Vietnam Task Force,? comprised over 7,000 pages of internal studies. They exposed that successive U.S. administrations had misled Congress and the public about the scope and intent of the Vietnam War. The documents showed that policymakers had deliberately concealed the true scale of military operations and the likelihood of defeat.

Ellsberg?s Motivations

Ellsberg?s decision to leak the Pentagon Papers stemmed from his belief that transparency was essential for democracy. Witnessing the government?s duplicity deeply troubled him, and he felt compelled to act. His moral conviction was rooted in the idea that the American people deserved to know the truth about their government?s actions and intentions.
